Elze, 15<sup>th</sup> September 2021

We are looking for an **Area Sales Manager (m/w)** to support our team at the earliest possible date.

Our parent company, Marelli Motori S.r.l., is a globally operating enterprise and one of the leading manufacturers of electric machinery.

As the German subsidiary, we are responsible for Sales in Central and northern Europe, based in Germany - Elze near Hannover.

The duties comprise:

- Supporting existing customers as well as acquisition of new customers and distributors in the specified countries
- Planning, organisation and implementation of customer acquisition measures
- Responsibility for achieving objectives in the sales territories
- Development of strategic and operative objectives as well as compiling budget and action schedules for the sales territory

Your profile:

- Several years of job experience with electric machinery, like generators, motors or their application areas
- Studies in electrical engineering or mechanical engineering or industrial Engineering
- High customer and result orientation
- Self-sufficient working method, flexibility and commitment
- Readiness to travel, insight into human nature
- Good oral and written knowledge of the English language, knowledge of other languages would be of advantage

You can expect an attractive salary and an interesting and challenging task in an innovative and international working environment.

If you want to be a member of our committed sales team and realize our ambitious expansion objectives, we would be glad to receive your explicit application papers at:
